

IEEE Computer Society Student Chapter @ UWM

MINUTES: General Member Meeting – (May 7th, 2007)

Members Present:

Eric Shelley – President
Dave Brixius – Vice President
Dale Anderson – Treasurer
Jason Koranda -- Secretary
Paul McNally
Ethan Munson
Jeff Wala
Jim Kopps
Tom Calloway
Jeremy Matthais
Andrew
Ben
Carlos

MEETING CALLED TO ORDER 12:31 PM

Topics Discussed:

CSBS Degree → Accreditation and Continuity

Officer Nominations

Spring Picnic Evaluations

New Projects

CSBS DEGREE @ UWM → ACCREDITATION

(Abstract version)

Mission- University
College
Departmental

Probable New Degrees -Computer engineering → more hardware oriented
-Computer Sciences and Applied Math → more math oriented

Objectives- Graduates should and will have a successful career built upon their understanding of formal and applied methods for solving problems.

3 to 5 years after graduating with a CSBS degree from UWM
What and how are graduates doing?

Outcomes- Graduates will have a solid foundation in core computer science principles and practices.

Abilities include the following:

- Design, analyze, evaluate systems, components, or processes to meet tomorrow's specifications.
- Analyze, evaluate, and compare alternate solutions to computational problems.
- Contributing to team projects, written and oral skills, and overall professional and ethical behavior.

Openings → President and Secretary

-Jim Kopps was appointed to Secretary

-Jason Koranda was appointed to President

Discussed getting more involved... Open to ideas??

We need to think of New Sources of Revenue...

-thumb drives

Possibly loaded with lecture notes??

key to note card applications

joint venture with other orgs.

- IEEE-CS t-shirts

Spring Picnic:

-Overall went very well, thanks again for everyone who helped out

-Special thanks to Paul McNally, Ethan Munson, Ichiro Suzski, and the gang for reserving the room playing some excellent music.

-Next Year will definitely have to try and move it to an outside event

-Possible joining of event with another org(s)

-open to suggestions...

New Projects: Knowit

- NOTECARD APPLICATION

-Headed by Tom Calloway → email@tomcalloway.com

-Need to work out division of labor for integration to site

-Work out copyright and access issues

-How to optimize and bundle the package for possible funds

REMINDERS

WHAT ARE GRANT DEADLINES>???

MEETING AJOURNED 1:49 PM
